Linton

Traditional Style Ball-Jointed Towel Radiators

Price list with effect from 1st February 2012

Linton/M1

Floor mounted and ball jointed, the Linton traditional towel rail provides plentiful towel hanging space and oozes quality and style. The Linton is made of solid brass and coated with chrome (other finishes available). Our bespoke service means we can offer a wide range of styles, finishes and sizes.

Central heating versions – other sizes available

- All Linton radiators are made to order: approx 3-4 weeks.
- Inward facing valve connections.
- Floor-mounted as standard. Also available as wall-mounted by special order – please call for more details.
- Pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied).
- To complete the look (for central heating radiators), see our valves page (valves are not included as standard).
- Nationwide delivery available – usually £25 per consignment.
- To order or for further information, please call or email.
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$).
- All sales are subject to our standard terms and conditions, which can be downloaded from our website.

The above prices are exclusive of VAT.
